7 - What are one to three specific things about this course and/or instructor that helped support student learning?

Response Rate 8/20 (40%)

- None
- this course really helped me with my writing skills the teacher was really nice and helped me over come my writing issues
- Peer review Office hours Workshop days
- Encouraged us to work hard, very helpful when we did not understand material, was very patient with everyone
- Meditating in the beginning of class really helped me be more prepared for class because I was able to get a clear mind in the mornings.
- Writing techniques Analyzing contexts to improve my reading and writing skills.
- I love her she's so sweet to me she was very understanding I definitely love her
- she understood where people were coming from, had fun class discussions related to what we were talking about.

8 - What are one to three specific things about this course and/or instructor that could be improved to help support student learning?

Response Rate 6/20 (30%)

- None
- N/a
- nothing overall great class and great teacher
- Hard to say.
- nothing everything was good
- nothing really was an enjoyable class.
