- I loved Mrs. Petersons class and the way she taught. She made sure that we understood everything and always told us where to reach her if we needed any help with anything.
- By far the most outstanding professor I have ever had!! So caring for her students and wants nothing other than for them to succeed.
- This course defiantly taught me a lot that I will be carrying with me moving forward . I appreciate it all and I hope in the future we'll all look back and appreciate it as well.
